

History/Geography Project Overview

Unheard Histories

Our learning in History this term will be based on the question, "Who should feature on the reverse of the £10 bank note?"

This unit prepares the children for the challenges of Key stage 3 History. It gives them the historical skills of inference, extracting information from sources, evaluating historical figures and the opportunity, like historians, to decide their criteria for significance.

The unit also allows the children to consider the contributions to Britain of a diverse group of people, whose experiences are less well-known.

Art

Sculpture and 3D - Making memories.

This unit will involve creating a personal memory box using a collection of found objects and hand-sculptured forms, reflecting primary school life with symbolic and personal meaning

Computing

3D modelling

Maths

Statistics

Themed Projects and revisiting of skills to address gaps in learning before secondary school.

Spanish

Revision unit

Unheard Histories

Science

Circulation and Exercise

Identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood

Recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function

Describe the ways in which nutrients and water are transported within animals, including humans

(Continued from last term)

Music Charanga

Reflect, Rewind and Replay

This Unit of Work consolidates the learning that has occurred during the year. All the learning is focused around revisiting songs and musical activities, a context for the History of Music and the beginnings of the Language of Music.

RE

Why do some people believe in God and some not? How does faith help people when life gets hard?

PE

Athletics
Tri Golf

PSHE

Changes from primary to secondary school
Using social media

English

Reading focus- Macbeth

Writing to entertain- play scripts based on Macbeth/other works of Shakespeare
