Christmas!

There are lots of things happening in the next few weeks which we hope you can join us for!

- All infant parents have been given links to get tickets for the performances on 3rd & 4th via Ticket Source. Please do get your tickets booked. Unfortunately we will not be able to allocate more tickets than the 2 per family.
- Junior's Christmas Performances—there is both a matinee performance at 1:30pm and an evening performance at 5:30pm on the 11th. These are both in the church and there is no need to book any tickets.
- For all performances, please be mindful of parking around the village and ensure junctions and drop kerbs are not blocked. A double decker bus also goes through the village along with large tractors so please leave plenty of space for these vehicles.

Unrehearsed Nativity—16th December

Each Tuesday we have a group come in to do assembly called 'Open the book of...', and they often get children involved in acting out the story. For the 16th, we ask that all children come with a Nativity costume. Please don't feel the need to buy a new outfit, for example a crown for a King would be enough!

<<<< Christmas Lunches

A heads up that next week teachers will be asking children (& children/parents at the door for younger years) whether they would like a Christmas Roast on the 17th. This is a normal school lunch served in the hall. Do not panic; they can change their minds but we just need an idea of numbers next week. The menu can be seen to the left, and no other options will be available.

Reception

Recently Reception have had a fab time exploring our outdoor spaces. They explored the slide, scrunched in the leaves and learnt the rules for the woods by sitting in the fire circle. They also closed their eyes and Mrs Yardley helped them to hear Robins singing.

Year 1

Here is a great photo of Year 1, who enjoyed learning about the nativity story in RE.

Year 2

More outdoor learning but this time for our

Year 2 children who headed out to spot micro habitats which they have been learning about this term. They found lots of creepy crawlies & bugs in our wood area.

Year 3

Year 3 children have really been enjoying Cricket on Mondays. For this half-term we have been really lucky to have 'Cricket Chris'

come in to teach Y2, Y3, Y4 & Y5 as part of their PE sessions. This was offered to us by Cornwall Cricket via Chance to Shine, and will continue up until Monday 15th December. We hope the children have learnt some skills in this sport and have had lots of fun doing so!

Year 4's adventure to Morwellham Quay

As part of their history topic looking at 'How Children's lives have changed', Year 4 had the chance to go to Morwellham last week. They got to go on the mine train as well as experience a Victorian Classroom & had a tour of the cottages to look at domestic life.

What a fun day of exploring!

Year 5's trip to Calstock Quay

Our lovely Year 5 children headed down to Calstock Quay as part of their Geography topic looking at 'Rivers'. It was a cold drizzly day but they dressed up in their wellies and had a good time looking around and learning all about the features of the River Tamar. They also got to have a play on the pirate ship in the park before heading back for lunch.

Congratulations to Hanny H in Y5 who received a distinction for her Trinity College Initial Grade piano exam. Well done Hanny, you worked so hard!

Year 6

Thank you to those who supported our '25 dances challenge' for Children In Need. We raised a total of £172.13.

The poster features a festive blue background with white snowflakes and strings of red, yellow, and blue Christmas lights. A large gold star with a cartoon elf peeking out from behind it contains the text 'NO COST'. Three circular inset photos show children participating in activities: one child holding a blue paper airplane, two children with a basketball, and two children with watermelon and oranges. The text is arranged in a clear, bold, sans-serif font, with the main title in large white letters on a blue background. A QR code is located in the bottom left, and a circular logo with the word 'procoaching' is in the bottom right.

Extra Support this Christmas

That's why we've **extended our Crisis Fund** to offer **shopping vouchers** for a range of retailers, helping families with children prepare for Christmas.

Whether it's gifts, food, or essentials - **don't go without this year. We're here to help.**
