Geography Project Overview – Mountains and Volcanoes

Both volcanoes and earthquakes occur due to movement of the Earth's tectonic plates. They are both caused by the heat and energy releasing from the Earth's core. Earthquakes can trigger volcanic eruptions through severe movement of tectonic plates

Volcanoes and Earthquakes

PE

Hockey - I can control the ball whilst moving and pass and receive it in a game. I can involve teammates, running into space controlling and passing the ball accurately and looking for intercepting opportunities

Dodgeball - I can play in a small games, having more confidence to catch an opponent's throw to negate their attack

Science

Life cycles and reproduction

Exploring the life cycles of plants and animals and the life process of reproduction

* Life cycles and reproduction in plants

* Life cycle of a mammal

* Life cycle of a bird

* Life cycle of an amphibian

* Life cycle of an insect

* Asexual reproduction in plants

English

Poetry – creating
imagery,
language play

Narrative –
problems and
dilemmas

PSHE

To critically assess the online world including how information is used and shared.

To highlight to children that other people may seek to persuade them online and that not all online contact is trustworthy

Music

This unit is focused on Old School Hip Hop. The material presents an integrated approach to music where games, the interrelated dimensions of music (pulse, rhythm, pitch etc.), singing and playing instruments are all linked. As well as learning to sing, play, improvise and compose with this song, children will listen and appraise other Old School Hip Hop tunes

Computing

Vector drawing

I can create a vector drawing that is comprised of lines and shapes of different colours

I can resize duplicate rotate align and colour objects in vector drawings

I can use grouping and layers in my vector drawing
