Date: 2nd April 2026

Issue: No. 8

It's been lovely to be able to celebrate Easter this week with children all enjoying different learning to do with Easter across the classrooms. We of course also had the Stoke Climsland egg rolling competition – here are the winner photos!

Enjoy your Easter break and we look forward to welcoming you back to school on Monday 20th April.

Fri 19 Landrake Fun Run

JULY

Wed 1 Sports Day
Wed 8 Reserved Sports Day
Wed 22 INSET Day
Thurs 23 INSET Day
Fri 24 Summer Holidays begin

Dodgeball

Well done to our brilliant Y6 dodgeball team who took part in the Primary School Competition run

by British Dodgeball. You played so well, and had a great attitude during the day. They came away as runners up, heading back to school with their very shiny silver medals! Well done to you all!

Come Dine With Me

Thank you to the parents who have been in on the Monday and Tuesday for our Come Dine with Me. We will have a couple of dates for the summer term so please do register your interest if it's something you'd like to do.

Reception's & Year 1's Sheep Visit

Children in Reception and Year 1 were lucky enough to have lambs visit for a very special morning. The children were very kind and respectful and had some fantastic questions about them. They were able to see the lambs up close, being able to stroke them and even feed them milk by bottle. A huge thank you to Charlotte for bring them in to allow the children to enjoy the experience.

Year 1's Trip to Plymouth

Last Friday our Year 1s joined up with Calstock's class 1 to take a trip to Plymouth on the train. From the train they walked to Marco Pierre White who treated them to a hot chocolate each. A huge thank you to them for their generosity. They were so lucky with the beautiful weather which

then allowed them to have lunch on the Hoe before returning back via bus to the train station. Well done children, you were a credit to our federation.

Year 2's new skills

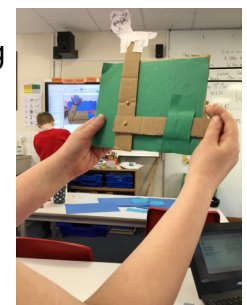

Our Year 2 class have been learning some different skills this half-term. They have made puppets which they designed, cut out of fabric and then sewed. They popped on some finishing touches including googly eyes and they all looked fantastic. They also had a go at some orienteering. Well done Year 2!

Year 3

Year 3 have been exploring linkages, levers and sliders as part of their DT unit this half-term. They got creative making their own moving animals.

They've also been enjoying reading 'Charlie and the Chocolate Factory' as their class book. As a treat they will be watching the film today to finish the term.

Year 4's trip to the Windfarm

Last week, Year 4 had a Windfarm workshop in the morning followed by a bus trip to Bottonnett wind farm where they got to see the turbines in action at the farm. The children had lots of great questions and the day was a great hands on learning experience for them all.

They've also been enjoying outdoor learning in the few days of sunshine we've had!

Year 4 & Year 5's Anti-Bullying Ambassadors

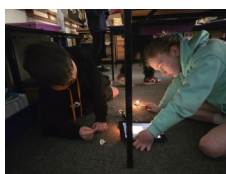

Our anti-bullying ambassadors from year 4 & 5 were brilliant making and running their smoothie stall at the end of the school day. What a wonderful way to end the school week and spread their positivity with everyone.

Year 6

Firstly, a huge well done to Year 6 for completing their final SATs practice. They've all worked so hard, and Miss Harris has been super impressed with the progress they have all made!

They've also been busy in science; using lux meters, they explored how the number of bulbs in a circuit affects their brightness. Lots of them moved under their tables to see this even more clearly in a darker space. They also explored and had a go at Mayan art - had lots of fun doing so by the faces in the pictures!

Congratulations to all children who were awarded a certificate in the Values Assemblies in the second half of this half-term.
