Meet Mr Pengelly

We'd love to invite you into the school hall on Wednesday 8th July at 2:45pm. A chance to meet Mr Pengelly, our new Executive Headteacher in an informal environment and to enjoy some tea / coffee / cake.

Hope to see you there!

Sports Day on Wednesday 1st July.

We're following the same format as last year and children will be in the same team as then. Reception children and anyone new to the school will receive a letter confirming their team colour. Please send your child in a top in their team colour with their usual PE kit. If you're unsure of the colour, speak to your class teacher or school office.

The morning will include a range of activities; an obstacle course, basketball shooting, football shootout, throwing, sack race and golf chipping alongside sprint **heats**.

We warmly invite parents and carers to join us from **12:45pm**. The afternoon will include **KS1 and KS2 Sprint Relays**, followed by the **Sprint Finals** and **Wimbledon Race Finals**—a fun challenge involving a tennis racket and a cup of water.

Get ready to cheer & keep fingers crossed for sunshine. If needed, our **reserve date is Wednesday 8th July**.

DIARY DATES

JUNE

Fri 19 Landrake Fun Run
Fri 26 FOSCS Summer Fair

JULY

Wed 1 Sports Day

SUMMER FAIR

Please join us on Friday 26th June after school for the FOSCS Summer Fair. It'll feature bouncy castles, a water slide, basketball challenge, tombola, BBQ & Ice Cream! It'll be £5 per child on entry.

A couple of requests:

- Stall Holders Wanted

If you are interested in having a stall please email schoolPTA@stoke-climsland.cornwall.sch.uk

- Tombola Prizes Wanted—please drop these off to the school office

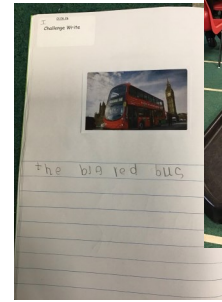

- Please also let me know if there is anyone who is able to help out with the event.

PLEASE BE AWARE THERE WILL BE NO AFTER SCHOOL CLUB ON TUESDAY 21ST JULY.

Reception's Update

It's crazy to think that our youngest children have nearly been with us for a whole school year! They've been busy consolidating their skills from the year and learning about doubles, odds, evens and working hard writing sentences independently. Well done, Reception!

Year 1's trip to Duchy Farm

Our Year 1 children headed to Duchy Farm last Thursday, travelling there and back by tractor and trailer. Despite the weather, they had the best time learning all about dairy cows and how milk finds its way to the supermarket shelves. They also got to taste some cheese too!

Huge thanks to Kelly & Liam for giving the children a wonderful hands on experience!

Year 2's day at the beach (in the rain!)

Year 2 had a lovely & tiring day in Bude. The children were so well behaved and were really good at answering Mr Towe's questions.

They also had a very special visit from Mrs Cook, and got to see inside her beach hut. Thank you to the parent helpers who made this trip possible & braved the weather.

Year 3's Egyptian Creations

Children in year 3 have been busy making their own papyrus scrolls and amulets inspired by ancient Egyptian art. Some made scarab beetles, others made ankh crosses and Egyptian flowers—they've now added paint and they look brilliant. A creative start to the last half-term of the year!

Year 3 & 4's Lego Day

Last week our children in Y3 & Y4 had an amazing time taking part in a Lego Robotics Workshop with a visiting experts as part of the FIRST LEGO League Explore programme. Throughout the day, the children learnt all about the fascinating world of archaeology; explored how archaeologists search for and discover artefact; practised a range of exciting LEGO building techniques; worked together to build and programme LEGO robots and successfully coded a robot to search for hidden artefacts! This hands-on STEM experience has helped us develop important skills including problem solving, teamwork, communication & creativity.

Year 5's World of Sport

Children in Year 5 have started a geography topic titled "World of Sport"; brilliant timing with the World Cup starting! They've all taken part in a class sweepstake and made flags for the teams which decorates the classroom. They will find out about their country's statistics, foods, cultures, human and physical features and lots more besides through their research this half-term. The football gives a great talking point and sparks their interest.

Year 6s Life-Saving Skills

A big thank you to Peter Salisbury from the Callington Lion's Club who gave life-saving workshops to our children in Y5 and Y6. In Y6 they were taught skills including CPR and each had a go at performing this. Well done Year 6—brilliant learning!

Equity Empathy Integrity
Perseverance Inspiration Gratitude

Congratulations to all children who were awarded a certificate in the Values Assemblies in the second half of this half-term.

Inspiration - Rose H (Y1), Maxwell G (Y2), Ruby R (Y2), Sienna M (Y3), Harley B (Y3), Robyn H (Y3), All of Y4, James S (Y5), Sophie E (Y5)

Perseverance - Teddie M (Y5), Hanny H (Y5), Cody H (Y5), Amelia P (Y6)

Gratitude - Daisy E (Y3), Ella E (Y3), Hart Q (Y3), Ivy F (Y3), Arabella W (Y3), Alison S (Y3), Jowan O (Y6)

Empathy - Darcie W (Y1)

Integrity - Anthony D (Y1), George L (Y4), Eva A (Y4)

3 Tors Challenge

A huge well done to 13 children across Year 5 and 6 who completed a 3 Tors Challenge on Wednesday. It was horrible weather conditions with the fog covering all the lovely views but they powered through and completed the challenge. Well done team, what a brilliant effort!

Thank you Mr Bain for taking the children and to Arena for arranging and training the children.

A huge well done to all of our children who received their certificate from our **Engineer** day. We had 14 children whose ideas were shortlisted to go through to the next round and a big congratulations to Alfie E & Bella J who received a win, and highly commended, retrospectively.

Year 5 Bikeability

Well done to Darcy, Indie, Tom, Freddie, Edey & Gilda who all passed their Level 2 Bikeability.

Leavers Disco

We'd love for children to join us for the Leavers Disco on Monday 20th July. Y6 are invited in from 5pm for their own celebrations, then the rest of the school 6pm - 7pm.

Year 6 Dodgeball Team

Earlier this year the Year 6 qualified for the SW regional finals held at Bristol University, so on Wednesday 3rd June, very early in the morning, the team travelled up to the competition.

The team played some excellent matches in the pool stages against some superb opponents, finishing 3rd in their pool just missing out on progressing to the national finals. The 2 teams they lost to in their pool, finished first and second in the entire tournament. The entire day was a great experience with some great individual moments by all out players. A big thank you to FOSCS for providing the minibus that transported the team to and from the event, with an extra special thank you to Andy for driving the minibus with his trusty navigator, Kelly.
