

Maths
Addition/subtraction using 3 digits
Multiplying and dividing by 2,5,10,3, 4, 8

Geography (Project)
We will learn about Shackleton's famous Arctic expedition, focusing on the polar regions and the physical geography. We will develop our geography skills of map reading, using atlases, grid references and polar navigation. We will also learn about Robert Falcon Scott the polar explorer from Plymouth.

Spanish
Introducing self and asking names. Short role plays and Christmas!

Computing
Complete unit on Book Creators and begin to explore Branching databases. Digital Citizenship.

Science
Forces including magnetism.

PE
Gymnastics & Dance

RE
What is the trinity and why is it important for Christians?

English
Our English writing will be based on books to do with dreams and curiosities - The Barnabus Project and the BFG. We will be reading Mr Penguin and the Lost Treasure and Shackleton's Journey.

PSHE
Exploring strong emotions and how we can manage these.

Music
Glockenspiel Stage 1 - music notes E and D and pulse.

DT
Pneumatic Toys - exploring forces and design and make a simple pneumatic toy.
